CLOSING THE GAP

Only 33% out of 600,000 students assessed *were “success ready”* in terms of 21st Century skills, according to a 2014 study conducted by Gallup, Microsoft and the Pearson Foundation.

67%

67% of HR Managers would hire a candidate with strong soft skills even if hard skills were weak.

46%

46% of new hires fail in the first 18 months — usually due to lack of soft skills

ENGAGE & ALIGN

“ We need to increase student and employer engagement with our career center staff and align individuals with careers. ”

CERTIFICATES & BADGES

“ We have a small staff, but we need an easy way to award traditional and online learners with certificates that show career qualification and readiness. ”

OUTCOME REPORTING

“ We receive government funding to ensure adults entering/re-entering the workforce have the right skills to achieve gainful employment. ”

COLLEGE & CAREER READINESS

“ We want young students to understand the importance of soft skills early in their education to help them be successful in college and beyond. ”

PERSONALITY MATTERS

Why do you think personality matters?

- Hiring managers see personality traits as job related and strategically important.
- Assessment specialists are accounting for the “whole person”.
- Traits predict performance over and above cognitive ability.
- Personality assessment provides lasting benefits (over 60 years of research for the 16pf)
- Insights gained are applicable across the career lifespan.

COMPETENCY MODELS

CAREER READINESS

for the New College Graduate

A DEFINITION AND COMPETENCIES

CAREER READINESS IS THE ATTAINMENT AND DEMONSTRATION OF REQUISITE COMPETENCIES THAT BROADLY PREPARE COLLEGE GRADUATES FOR A SUCCESSFUL TRANSITION INTO THE WORKPLACE.

These competencies are:

- **Critical Thinking/Problem Solving:** Exercise sound reasoning to analyze issues, make decisions, and overcome problems. The individual is able to obtain, interpret, and use knowledge, facts, and data in this process, and may demonstrate originality and inventiveness.
- **Oral/Written Communications:** Articulate thoughts and ideas clearly and effectively in written and oral forms to persons inside and outside of the organization. The individual has public speaking skills; is able to express ideas to others; and can write/edit memos, letters, and complex technical reports clearly and effectively.
- **Teamwork/Collaboration:** Build collaborative relationships with colleagues and customers representing diverse cultures, races, ages, genders, religions, lifestyles, and viewpoints. The individual is able to work within a team structure, and can negotiate and manage conflict.
- **Digital Technology:** Leverage existing digital technologies ethically and efficiently to solve problems, complete tasks, and accomplish goals. The individual demonstrates effective adaptability to new and emerging technologies.
- **Leadership:** Leverage the strengths of others to achieve common goals, and use interpersonal skills to coach and develop others. The individual is able to assess and manage his/her emotions and those of others; use empathetic skills to guide and motivate; and organize, prioritize, and delegate work.
- **Professionalism/Work Ethic:** Demonstrate personal accountability and effective work habits, e.g., punctuality, working productively with others, and time workload management, and understand the impact of non-verbal communication on professional work image. The individual demonstrates integrity and ethical behavior, acts responsibly with the interests of the larger community in mind, and is able to learn from his/her mistakes.
- **Career Management:** Identify and articulate one's skills, strengths, knowledge, and experiences relevant to the position desired and career goals, and identify areas necessary for professional growth. The individual is able to navigate and explore job options, understands and can take the steps necessary to pursue opportunities, and understands how to self-advocate for opportunities in the workplace.
- **Global/Intercultural Fluency:** Value, respect, and learn from diverse cultures, races, ages, genders, sexual orientations, and religions. The individual demonstrates, openness, inclusiveness, sensitivity, and the ability to interact respectfully with all people and understand individuals' differences.

THE SOLUTION

***Am I Job Ready* combines tools for career alignment, soft skill competency development, digital certificates, and employer engagement all in one platform, for less than the cost of a single assessment!**

THE USER EXPERIENCE

ASSESSMENT

The 16pf personality assessment provides insights into how the user is naturally “wired” within 16 career competencies such as coping with pressure and decision-making. Students receive 4 reports detailing their personality, strengths, culture fit and career interest fit.

INTERACTIVE VIDEOS

PAN’s team of I/O psychologists worked with creative services to develop 16 bite-size, interactive videos that cover the foundation of each competency, helping users connect the dots to how the skill may be exhibited in their daily lives and in job interviews.

SKILL MASTERY TESTS

Situational judgment tests – a format commonly used by employers for hiring – allow students to measure proficiency and demonstrate mastery of each of the 16 workplace competencies. As each skill is mastered, students earn a digital credential, which appears in their digital student profile.

ADMINISTRATOR & EMPLOYER TOOLS

CERTIFICATES

Provides institutions the ability to easily mix their own content with PAN’s videos and skill mastery tests to drive their own competency-based learning initiatives and award student for their achievements. Students’ achievements are reflected in their interactive digital profile, which can be shared on LinkedIn.

ANALYTICS & REPORTS

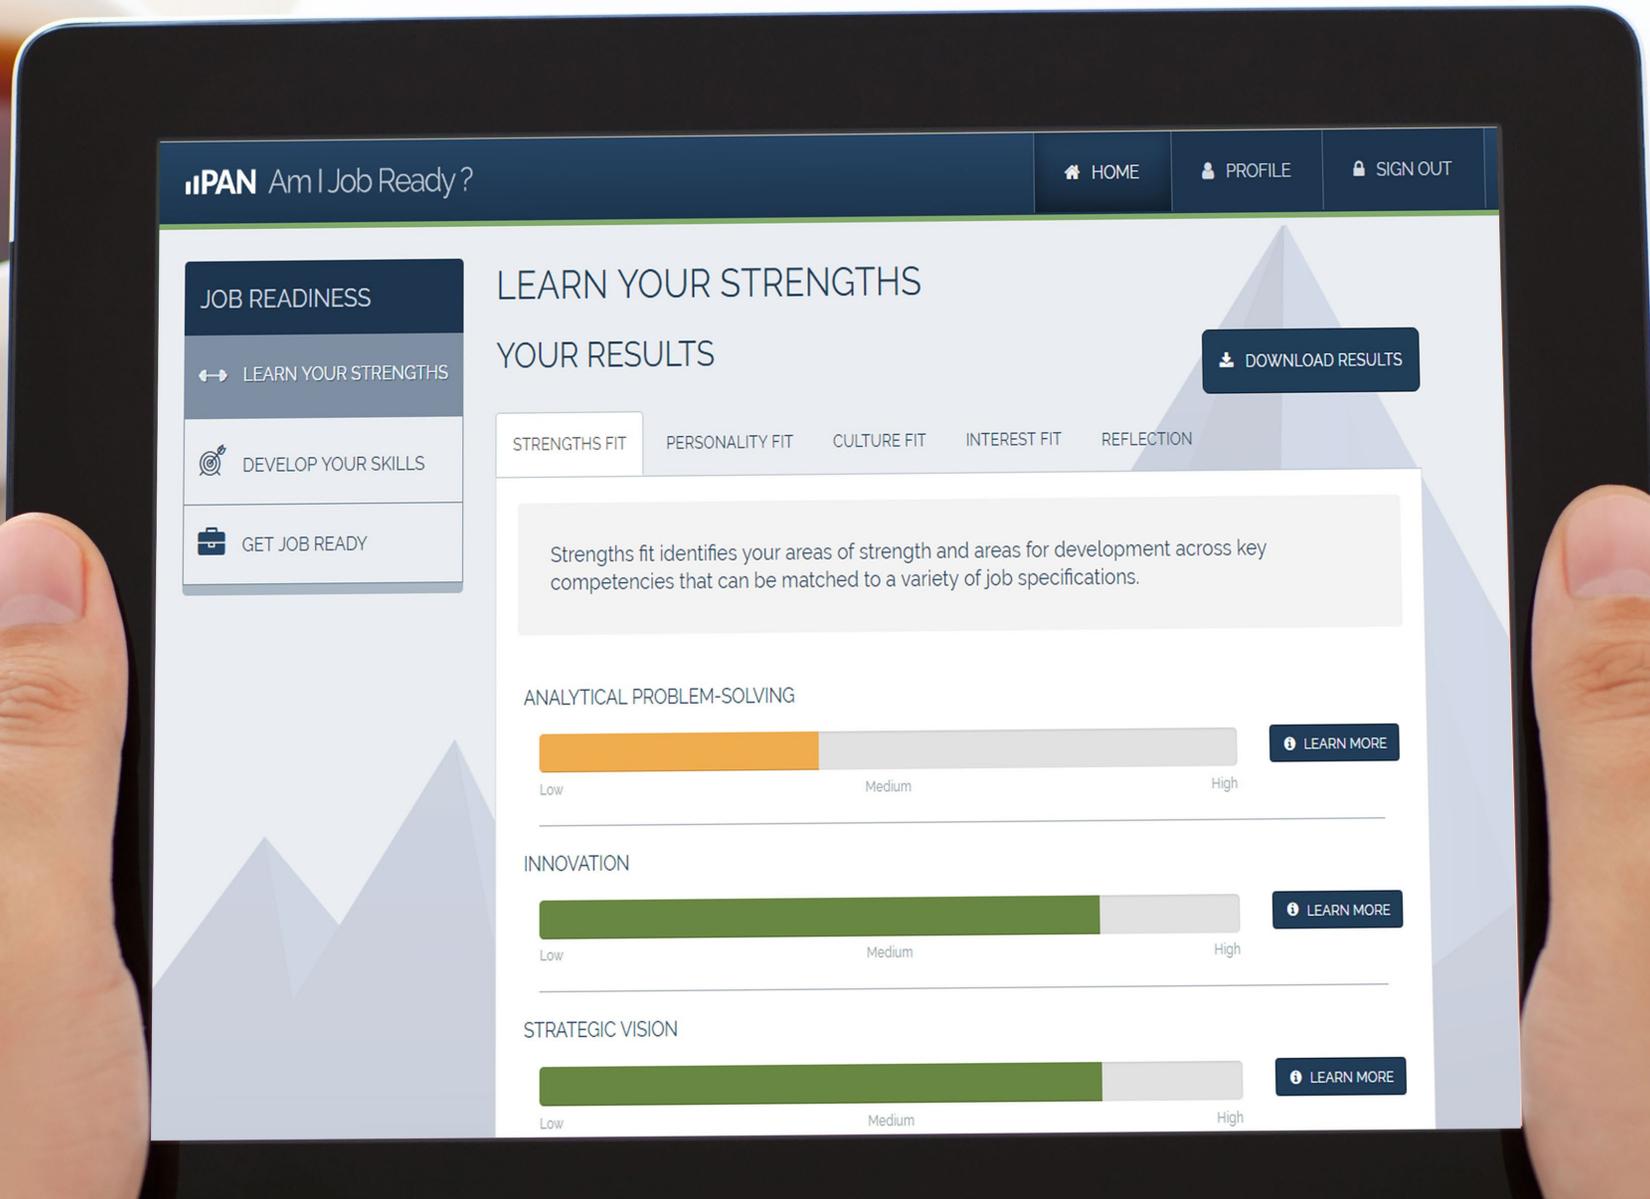

Reporting on student progress and learning outcomes is extremely important for institutions when applying for funding. The administrator dashboard allows institutions to explore and visualize data, from the individual student level to the entire institution.

CLOSE THE GAP SURVEY

Employer engagement is a key objective for career services. The Close The Gap Survey allows institutions to meaningfully engage their employer partners, building competency profiles for each partner based upon feedback from their successful employees and helping to better align students with employers.

FORMAL

AS A RULE-CONSCIOUS INDIVIDUAL YOU ARE LIKELY TO FEEL COMFORTABLE IN ORGANIZATIONS THAT HAVE ESTABLISHED WAYS OF DOING THINGS. THE COMFORT OF STANDARD POLICIES AND REGULAR PROCEDURES IS LIKELY TO MEAN THAT YOU WILL KNOW WHAT IS EXPECTED OF YOU.

CONVENTIONAL

NEUTRAL

INNOVATIVE

YOUR RESPONSES TO QUESTIONS ABOUT CHANGE ARE BALANCED. THIS MEANS THAT YOUR RESPONSE TO CHANGE WILL DEPEND ON THE SITUATION. YOU OFTEN TAKE COMFORT FROM THINGS THAT ARE FAMILIAR AND PREDICTABLE, BUT THERE ARE TIMES WHEN YOU LIKE TO EXPERIMENT OR TRY SOMETHING NEW, UNLEASHING YOUR IMAGINATIVE AND MORE UNPREDICTABLE SIDE. THEREFORE WHEN CONSIDERING CULTURES THAT WILL BEST SUIT YOU, THINK ABOUT PLACES THAT MAY PROVIDE THIS BALANCE.

MORE ▾

FLAT

NEUTRAL

HIERARCHICAL

SINCE YOU ARE RULE-CONSCIOUS, YOU ARE LIKELY TO PREFER CULTURES WITH A CLEAR HIERARCHICAL STRUCTURE. THESE TYPES OF ORGANIZATIONS PROVIDE A CLEAR DISTINCTION OF LEVELS OF AUTHORITY AND RESPONSIBILITY. THIS WILL COMPLEMENT YOUR DUTIFUL AND RESPECTFUL ATTITUDE TO INTERNALIZED CULTURAL STANDARDS AND RESPECT OF AUTHORITY. CULTURES THAT ARE LESS HIERARCHICAL ARE NOT LIKELY TO APPEAL TO YOU AS THERE WILL BE FEWER PROCESSES IN PLACE, WHICH MAY FRUSTRATE YOU BY MAKING STANDARDS FOR BEHAVIOR FEEL AMBIGUOUS.

COLLABORATIVE

COMPETITIVE

YOU CAN BE PERSISTENT WHEN IT COMES TO PURSUING GOALS OR IDEAS. YOU ALSO ENJOY THE POWER OF INFLUENCING AND MAY COME ACROSS AS ASSERTIVE. THEREFORE, YOU ARE LIKELY TO THRIVE IN AND ENJOY ENVIRONMENTS THAT FOSTER HEALTHY COMPETITION AND WHERE IT IS NORMAL TO CHALLENGE OTHERS AND CREATE YOUR OWN OPPORTUNITIES.

POLITICAL

GIVEN YOUR MODERATE LEVEL OF SHARING WITH OTHERS, THE AMOUNT OF INFORMATION YOU REVEAL IS LIKELY TO DEPEND ON THE SITUATION. AT TIMES YOU WILL FEEL IT IS APPROPRIATE TO WITHHOLD CERTAIN INFORMATION OR PARTICULAR THOUGHTS. YOUR TENDENCY TO BE DISCREET WHEN APPROPRIATE MEANS YOU ARE LIKELY TO FIT COMFORTABLY BOTH IN ENVIRONMENTS THAT ENCOURAGE EMPLOYEES TO SHARE INFORMATION FREELY, AND THOSE THAT ARE LESS DISCLOSING. YOUR LEVEL OF TRUST IN OTHERS IS TYPICAL OF MOST PEOPLE, MEANING THAT YOU BALANCE TRUST WITH CAUTION. SOME SETTINGS OR PEOPLE WILL EVOKE MORE CAUTION FROM YOU, AND HERE YOU WILL QUESTION PEOPLE'S MOTIVES, OR EXPECT THEM TO PROVE THEMSELVES BEFORE YOU ARE WILLING TO TRUST THEM. IT IS IMPORTANT TO THINK ABOUT WHETHER YOU WOULD FIND MORE POLITICAL CULTURES RATHER UNREWARDING OR UNPLEASANT, OR WHETHER YOU WOULD BE COMFORTABLE IN SUCH AN ENVIRONMENT.

EMPLOYER ENGAGEMENT

Culture Fit

This first section of the survey addresses five key areas of company culture. Each area will describe two opposing sides and you will select which one your organization leans to. You will then select which side your department/division leans to (it can be different from your organization's leaning).

Let's get started.

Formal vs. Informal

Formal organizational cultures have set rules and codes of conduct with written company policies and procedures. Work meetings are more likely to follow a prescribed agenda and procedure and they may be held in designated meeting spaces. When feedback is given on performance, it is likely to be part of a defined process. Structured performance reviews will occur where your progress and development is monitored and documented.

Informal cultures have more relaxed rules and codes of conduct (e.g. lighter dress codes, etc.). Office etiquette and forms of addressing colleagues are less formal. Work meetings may take place in defined meeting spaces, but most conversations are impromptu. Feedback may still be given as part of a defined process, but it is also acceptable to give it impromptu. Informal cultures tend to place a greater value on individual self-expression.

23) Based on the summary above, would you describe your **COMPANY** as more formal or informal?

- A) Formal
- B) Informal

24) Based on the summary above, would you describe your **DEPARTMENT/DIVISION** as more formal or informal?

- A) Formal
- B) Informal

USER FEEDBACK

- Mike Slocum

*Executive Director of Student
& Career Development*

“ PAN has done an amazing job creating a product that colleges and universities need to develop student workforce readiness skills. ”

The first time we met with the PAN team, we thought that they had seen our program development notes beforehand!

The PAN team has worked with us every step of the way to build a comprehensive program to meet our needs, and we have blown away our own expectations for program use since implementation. I firmly believe that we could not have done so without having such a great educational tool developed by PAN.

They are truly on the cusp of greatness with this product, and our students will be better prepared for the 21st century workplace because of it.

“ This is a great program. After completing the first two Modules I was able to weigh in on my responses from an interview I recently had and discovered ways I could have answered some questions differently. ”
